

# Joyful horse riding for all

“Joyful horse riding for all” is Abloom’s latest project, funded by Bufdir, which offers organised leisure activities for children and young people.

Through a partnership with Alna Riding Centre, we provide specialised riding courses and holiday activities to improve confidence, self-esteem and general well-being. Participants get the chance to develop their riding skills while enjoying the outdoors and community.

We aim to promote confidence, development and social inclusion through meaningful and rewarding activities.

Registration is now open! Click here or send oss en epost: [post@abloom.no](mailto:post@abloom.no)
